

## ADMINISTRATIVE ORGANIZATION

---

---

### POLICY:

The Board's legal authority will be delegated through the Superintendent to the administrative team as show in the organizational structure chart of the District. The Superintendent shall lead the administrative team, determine its structure and designate its membership. The team is responsible to the Superintendent who, in turn, is responsible to the Board.

Lines of authority on the chart represent direction of authority and responsibility. All staff are expected to keep the person to whom they are immediately responsible informed of their activities by whatever means the person in charge deems appropriate.

The Superintendent may reorganize lines of authority and revise the organizational chart subject to Board approval of major changes and creation or elimination of positions. The Board expects the Superintendent to keep the administrative structure current with the needs of supervision and accountability within the school system.
