

# McMINNVILLE SCHOOL DISTRICT

Policy No: EB

## SAFETY PROGRAM

---

### POLICY:

Every possible precaution will be taken to protect the safety of all students, employees, visitors, and others present on district property or at school-sponsored events.

The practice of safety also will be considered an integral part of the instructional program through fire prevention, emergency procedures and drills, traffic, and pedestrian safety.

Each principal will be responsible for the supervision of a safety program for his/her school. The District Safety Manager or Superintendent Designee has overall responsibility for the safety program and security of the District. The District Safety Manager will work in conjunction with all schools and district departments to ensure safety and security across the District.

General areas of emphasis in the safety program will include, but not be limited to, in-service training, plant inspection, fire prevention, accident record keeping, driver and vehicle safety programs, emergency procedures and drills, and traffic safety problems relevant to students, employees, and the community. The appropriate requirements of Oregon Occupational Safety and Health Act will be observed.

The Facilities and Operations Manager shall act as the District's safety officer.
