

SCHOOL FEES

ADMINISTRATIVE REGULATION:

The following regulations have been established to govern the administration of school fees:

1. Students will furnish their own paper, writing and drawing materials unless some special need exists.
2. The District will charge a towel fee for students enrolled in physical education classes or athletics using District towels.
3. The District may charge a lock or locker rental fee.
4. Student will furnish personal use items such as physical education uniforms and athletic shoes.
5. Teachers will develop course goals in project classes so that each student has an opportunity to complete those goals with District-furnished materials.
6. Students will furnish materials that are required for projects beyond basic course requirements and/or are for personal use.
7. Fees may be charged for participation in those extra-curricular activities that require an expenditure for extra-compensatory pay for the coach/advisor.
