

SCHOOL REGISTRATION AND FEES

POLICY:

Students will register at the school in the assigned attendance area in which they reside. Information required at the time of student registration includes the following:

1. Birth certificate or other valid proof of age;

Fees may be charged for optional activities or purchases that go beyond the basic educational opportunities provided free of charge for all students. The District will furnish the necessary supplies, materials and equipment so that each student has an opportunity to attain the course objectives.

School fees for optional activities or purchases shall be established by the School Board. Exceptions to this policy are listed in the administrative regulation.

All student fees and charges, both optional and required, will be listed and described annually in the student/parent handbook or in some other written form.

In accordance with the law, restrictions and/or penalties may be imposed until such fees, fines or charges are paid.
