

**McMINNVILLE
SCHOOL DISTRICT**

Policy No: KG

BUILDING OPERATION AND USE

POLICY:

The District encourages and supports the operation of its buildings in an efficient, cost effective, and safe manner. Energy conservation shall be a goal for each facility and shall be the responsibility of each district employee or individual/group granted use of District's facilities.

The Board wishes community residents to have the benefit of the use of school facilities in so far as it is feasible. School related use is the first priority, all decisions made by the Superintendent or designee relating to use of District facilities are final. Use cannot interfere with the regular school program or school-related activities. Activities will be permitted which are educational, cultural, social, recreational or civic in nature and which are primarily for the benefit of community residents.

Permission to use schools, with or without charge, during assigned hours may be granted by the Superintendent or designee in compliance with KGA - Conditions for Buildings and Grounds Use, upon request.
